Mixed by Maor Levi and Nitrous Oxide

Disc 1 / Mixed by Maor Levi

Breakfast pres. Keyworth Splitting

Casey Keyworth is a great producer. I've always loved his work and the unique touch he brings to electronic music. "Splitting" is no exception. This brilliantly peaceful track is the perfect opener to my mix. Written & performed by Casey Keyworth. Produced by Keyworth for Old Fresh Productions. Published by Strengholt Music Group. © & © 2012 Old Fresh Productions.

Maor Levi Won't Say No

It was tough choosing my own tracks for the mix; I composed this long ago and reworked it especially for the compilation. I figured it was about time to let it out to the world. It's an emotional piece that was created during an important stage in my life. It combines both classic and modern vibes with lots of groove. Written, produced & performed by Maor Levi. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Tate & Diamond feat. Nicolai Electrified (Mat Zo Remix)

It has been so good to see Mat's brilliant tracks crossing over into different areas. This remix does justice to the original elements of the Tate & Diamond anthem from last year, but gives it an intense electro groove, creating a unique and thrilling remake. A big record for house and progressive heads! Written by Darren Tate, Harry Diamond, Nicolai Prowse & Daniel Fell. Produced by Darren Tate & Harry Diamond at ASL Studios London. Vocals by Nicolai Prowse. Remix & additional production by Matan Zohar. Published by Mondo Music Publishing Ltd/Copyright Control. © & © 2011 Anjunabeats.

Mat Zo It's Yours

An homage to the house classic by Jon Cutler and E-Man, this track is one of my current favourites from "The Bipolar EP" on Anjunabeats. It blends big room house vibes with a melodic breakdown for prog lovers. It's a catchy groove that you can't possibly go wrong with. Written, produced & performed by Matan Zohar. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Inpetto No More Serious Faces

Inpetto, aka Duderstadt, always deliver big grooves played by the worlds top DJs. "No More Serious Faces" is the kind of track that instantly grabs my attention. A unique melody, big room beats and a fantastic build up turn this track into a proper eargasmic experience. Written, produced & performed by Dirk Duderstadt & Marco Duderstadt. Published by Copyright Control. © & © 2012 Cr2 Records Ltd.

Boom Jinx feat. Justine Suissa Phoenix From The Flames (Maor Levi Remix)

Øistein J. Eide aka Boom Jinx is a kind of mentor for me, which is great as I've always been a huge fan of his sound; he's a huge inspiration. I was so happy when I was asked to remix this track complete with beautiful vocals from Justine Suissa. It only felt right to give it my own take, adding my big room flavour and taking it straight to the dancefloor. Written, produced & performed by Øistein J. Eide & Justine Suissa. Vocals by Justine Suissa. Additional programming by Andrew Bayer & Tore Vatlé Jensen. Remix & additional production by Maor Levi. Published by Involved Publishing Ltd/Copyright Control. © & © 2011 Anjunabeats.

3rd Planet Sevas

Russian duo Ruslan Malyarovskiy and Dmitriy Kashin are two guys destined to become massive in the industry with their unique progressive sound. "Sevas" is buzzing with great ideas. A wonderful piece of music that is pushing the boundaries of progressive house. Written, produced & performed by Malyarovskiy Ruslan & Kashin Dmitry. Published by Corsten Music Publishing (Strengholt Music Group). © & © 2012 Flashover Recordings.

Norin & Rad Pistol Whip

"Pistol Whip" comes from Norin & Rad, a duo that have seen a lot of success since being named Above & Beyond's Breakthrough Artists for 2011. Their distinctive techy sound gives trance a new flavour; "Pistol Whip" has an incredibly catchy main riff built upon a deep, raw bassline and has become a big favourite of mine. Written, produced & performed by Bruce Karlsson & Nick Sember. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Super8 Alba (Maor Levi Remix)

"Alba" by Super8 was the first Anjunabeats track I ever heard (back in 2004!) and it became one of my all time favorites. When the guys at Anjunabeats asked me what my ideal Anjuna track to remix would be, I didn't have to think twice. I was glad to take it in a new direction, combining influences from electro and trance to update this classic. Written, produced & performed by Miika Eloranta. Remix & additional production by Maor Levi. Published by Involved Publishing Ltd. © & © 2004 Anjunabeats.

Bluestone Namaste

Ilan Bluestone is no stranger to the music industry. He had lots of great releases on the border between progressive house and trance. Together we released "On Our Own", a key moment for our development as a duo. With a symphonic breakdown and energetic bursts, "Namaste" shows Ilan at his best.

Written, produced & performed by Ilan Bluestone. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Genix Aura

I've been a big fan of Genix's new take on trance, which gives tracks a more electro edge. Following his successful collaborations with the mighty Mike Koglin on both "Helion" and "Dyno", "Aura" displays Genix's futuristic, twisted vibe. A dancefloor destroyer that always gets a massive reaction from the crowd. Written, produced & performed by Genix (Damion Houchen). Published by Music AllStars. © & © 2012 Anjunabeats.

Ost & Meyer Safari (Maor Levi Remix)

Ost & Meyer are a duo to watch out for in 2012. When I heard the original of "Safari", I was impressed with their sound and pleased to be offered the chance to rework it. My remix takes things even further down the dirty route with a huge bassline and throbbing rhythm. It's become a monster of a record for me in my recent gigs and it goes down well every time I drop it. Written, produced & performed by Nikita Bogdanov & Vadym Porotkov (Ost & Meyer). Remix & additional production by Maor Levi. Published by Enhanced Music Publishing. © & © 2012 Enhanced Music Limited.

Kyau & Albert This Love

The trademark K&A sound with strong vocals always works, and "This Love" is no different. It's been a favourite of mine since the first time I heard it. A massive track. Written, produced & performed by Ralph Kyau & Steven Moebius Albert. Vocals by Steven Moebius Albert. Published by Edition Euphonica c/o Sony/ATV Germany. © & © 2012 Euphonic.

Parker & Hanson Afterthought (Heatbeat Remix)

Parker & Hanson are two guys who just can't seem to do anything wrong. With the awesome melodic foundation of the Original Mix, Heatbeat inject a pulsating electro groove. A huge record in my current sets. Written by SB Parker & Gabriel Ward. Produced & performed by SB Parker, Alvin J. Hanson & Gabriel Ward for Green Fields Productions, Philly, USA. Remix & additional production by Heatbeat. Published by Sony/ATV Music Publishing/Copyright Control. © & © 2011 Anjunabeats.

Breakfast pres. Keyworth Median (Keyworth Remix)

Number two from Casey Keyworth in this mix. It's a sophisticated piece of music, which evolves into something magical and inspiring. It's the unexpected sounds that keep being introduced that make it stand out; it takes the listener on a real musical journey.

Written, produced & performed by Casey Keyworth. Saxophone performed by Mike Korch. Additional sound design by Marcello Pacheco. Remix & additional production by Casey Keyworth. Published by Strengholt Music Group. © & © 2011 Anjunabeats.

Disc 2 / Mixed by Nitrous Oxide

Andrew Bayer & Matt Lange feat. Kerry Leva In And Out Of Phase (Norin & Rad Remix)

Everybody wants to be groovy nowadays but no one does it better than Norin & Rad. It was really hard to sit still in my chair when I was listening to this in my studio. An incredible track that makes you want to scream at the top of your lungs. Written & performed by Andrew Bayer, Matt Lange & Kerry Leva. Produced by Andrew Bayer & Matt Lange. Vocals by Kerry Leva. Remix & additional production by Bruce Karlsson & Nick Sember. Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.

Mike Koglin vs. Genix Helion (Norin & Rad Remix)

Another great production from the legends that are Mike Koglin and Genix - given an extra lease of life by Norin & Rad. A beautiful melody and a powerful bassline, this is how modern trance should sound. Written, produced & performed by Mike Koglin & Genix. Remix & additional production by Bruce Karlsson & Nick Sember. Published by Involved Publishing Ltd/Music AllStars. © & © 2011 Anjunabeats.

Nitrous Oxide & Dan Stone Nautica

We started this project back in 2010 before a gig with Above & Beyond on the Polish coast. I was waiting for a special occasion to release it so here it is. Hope you like it. Written, produced & performed by Krzysztof Prętkiewicz & Dan Stone. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Adam Kancerski Orion

Adam is a good friend of mine. We have known each other for about 10 years already and have explored the world of music production together. When I first heard "Orion", I was sure it would be a huge tune. It's not his typical style but trust me - it makes the crowd go mental! Written, produced & performed by Adam Kancerski. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Edu & Cramp Human Turbines (Beat Service Remix)

Emotional from start to finish. Sublime melodies that keep your focus for the whole track. Sometimes when I listen to new music, I just rewind it back to the main part of the track but this one always gets my full attention for the whole eight minutes. Pure gold! Written, produced & performed by Eldar Abdulaev &

Ilnaz Tarkhanov. Remix & additional production by Madis Sillamo. Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.

Ost & Meyer Antalya

This Ukrainian duo have had a huge impact with their tracks over the last few months. "Antalya" is proof that they can make melodies that will rock dancefloors all over the world. Written, produced & performed by Nikita Bogdanov & Vadym Porotkov (Ost & Meyer). Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Craig Connelly Manchester AM (2012 Club Mix)

A brilliantly reworked classic. This kind of tune always makes me smile. I'm pretty sure you'll love it too. Written, produced & performed by Craig Connelly. Published by Copyright Control. © & © 2011 Garuda Music.

Sunny Lax Contrast (Nitrous Oxide Remix)

Sunny Lax did it again! Levi always finds a way of creating trance melodies that are fresh and full of magic. "Contrast" is definitely proof of that. I hope you like my interpretation. Written, produced & performed by Levente Márton. Remix & additional production by Krzysztof Prętkiewicz. Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.

Nitrous Oxide Gr8!

When you sit in your studio for hours, it's getting late, you are starting to get tired and just want to finish your current project, then a fresh melody hits you, reinvigorates you and you end up working solidly for another eight hours on a completely new tune.... that's what making music is all about and that's how I've worked all my life. "Gr8!" is a perfect example of this. Written, produced & performed by Krzysztof Prętkiewicz. Contains vocal sample from Nitrous Oxide feat. Aneym "Follow You". Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.

Ost & Meyer Scarlet Heaven (Dan Stone Remix)

Another cool remix by my friend Dan. A powerful lead meets full-on overdriven bassline. The melody takes me back to the turn of the century. It works well everywhere I play it. Written, produced & performed by Nikita Bogdanov & Vadym Porotkov (Ost & Meyer). Remix & additional production by Dan Stone. Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.

Nitrous Oxide & Space RockerZ Energize

A souvenir from my tour in the USA. This is what happens when Nitro RockerZ meets Space Oxide ;).

We had a lot of fun together in the studio and we hope you'll have even more partying to it. Written, produced & performed by Krzysztof Prętkiewicz, Michael Calderone & Michael Targanski. Published by Involved Publishing Ltd/Cloud 9. © & © 2012 Anjunabeats.

Boom Jinx & Daniel Kandi Azzura

When two masters combine, it needs to finish with a huge explosion! That is what happens here. In my view, this is one of the best trance tracks ever. Written, produced & performed by Øistein J. Eide & Daniel Kandi. Published by Involved Publishing Ltd. © & © 2012 Enhanced Music Limited.

Super8 & Tab Awakenings

A duo that need no introduction. They deliver high quality tunes with every release and this is no exception. A classic melody with epic pads in the background, this is reminiscent of the good old days of trance. Written, produced & performed by Miika Eloranta & Janne Mansnerus. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Nitrous Oxide Tiburón

Nitrous Oxide comes from my fascination with cars and racing. If I wasn't a musician I would probably be a race car driver (in my dreams). I had "Supra" last year and now it's time for "Tiburón"... what will be next? Hope you have an exhilarating ride with this one. Don't forget to fasten your seatbelt! Written, produced & performed by Krzysztof Prętkiewicz. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Cramp Andromeda

Russia has so many prolific trance producers these days, but Cramp is one of my favourite producers in the whole world. "Andromeda" starts with a more techy feel, before the epic melody drops and the crowd go wild. It's a perfect example of how eclectic trance music has become. Written, produced & performed by Ilnaz Tarkhanov. Published by Involved Publishing Ltd. © & © 2012 Anjunabeats.

Oliver Smith Progress (Nitrous Oxide Remix)

A great track by Oliver Smith. I wanted to inject some of my latest sounds into this version. It felt like the right track to close my mix with. Written, produced & performed by Oliver Smith. Remix & additional production by Krzysztof Prętkiewicz. Published by Involved Publishing Ltd. © & © 2011 Anjunabeats.
